School's out for summer, and the East High Wildcats are ready to kick back and have the time of their lives. If they can land decent summer jobs, all will be right with the world. Troy can hardly believe his luck when he's offered a job at the posh Lava Springs Country Club in Albuquerque. What he doesn't know is that his newfound employment is part of club queen Sharpay's plot to lure him away from Gabriella. Unfortunately for Sharpay, her plan begins to unravel when Troy lands a lifeguard position at the club for Gabriella, as well as jobs for Chad, Taylor, Zeke, Martha, Kelsi, Jason and the rest of his Wildcat pals.
