What could be more
REWARDING
than introducing
CHILDREN
to the joys of
LIVE THEATRE?

For over five decades, students have been enjoying the best in children's literature as it unfolds before their very eyes.

Working together with local schools and community organizations, we help children realize their ultimate potentials by stimulating their imaginations and engaging their intellects.

There has never been a better time to start planning your next trip to the theatre. Simply mail or FAX the enclosed order form, or call us at **269-343-1313** and we'll take care of the rest.
